AMENDMENT AND RESPONSE UNDER 37 CFR §1.114

This Amendment and Response for the patent application identified above is in response to the Notice of Allowance and Fee(s) Due dated December 19, 2006. Applicants submit this Amendment and Response with a Request for Continued Examination under 37 CFR § 1.114.

Applicants respectfully request Examiner to enter this Amendment and Response under 37 CFR § 1.114. This Amendment and Response is similar to the Amendment After Allowance Under 37 CFR § 1.312 for the present application filed on January 31, 2007, together with a Petition To Accept Unintentionally Delayed Claim Of Benefit Under 35 U.S.C. 120.

It is Applicants' understanding from a conversation with Ms. Johnson of the Petitions Branch at the Office on March 14, 2007 that the Petition requesting a Priority claim and a corresponding Amendment was filed on January 31, 2007 has not been decided by the Office. Applicants request granting of that Petition along with entrance of this Amendment and Response. Applicant believes that this application is now in condition for allowance.

Applicants note that herein:
